By the way, we also have free demo of C\_S4CPR\_2102 practice materials as freebies for your reference to make your purchase more effective.

#### **NEW QUESTION: 1**

A customer has two HP C7000 BladeSystem Enclosures equipped with Virtual Connect FlexFabric-20/40 F8 interconnect modules Both enclosures are members of one enclosure group The

integrator needs to add a new enclosure to the infrastructure and configure Virtual Connect modules identically to the current enclosures as follows:

Identical uplink ports to carry Ethernet and Fibre Channel traffic

Identical networks and VLAN IDs

Identical IGMP settings

The new enclosure will be equipped with Virtual Connect FlexFabnc-20/40 F8 interconnect modules

Which approach should the integrator take?

**A.** Add a new enclosure to the current enclosure group and update the logical interconnect configuration from the current logical interconnect group.

**B.** Add a new enclosure group to the new enclosure and synchronize it with the current enclosure group.

**C.** Create a new logical interconnect group for the new enclosure and synchronize it with current enclosure group.

**D.** Add a new enclosure to the current enclosure group.

**Answer: D**

#### **NEW QUESTION: 2**

Which of the following department in an organization is responsible for documenting and the controlling the incoming and outgoing cash flows as well as the actual handling of the cash flows?

**A.** Management

**B.** Human Resource

**C.** Financial

**D.** Stakeholder

**Answer: C**

Explanation:

Roles and responsibilities of the finance department are important for the smooth operation of the business. The most common function of this department is the documentation and controlling of incoming and outgoing cash flows as well as the actual handling of the cash flows. The responsibilities of the finance department are as follows:

Budget management

Grants management

Salary administration

Property management

Purchasing

Handling cash

Answer option D is incorrect. It is the responsibility of management to ensure that employees are provided for in terms of finances, health care, and other related economic issues as well as making certain that more ethereal social issues, such as community viability and emotional stability are positive.

Answer option A is incorrect. The responsibilities of HR (Human Resource) depend on the size of the organization. HR directors and HR managers head up several different departments that are

led by functional or specialized HR staff, such as the training manager, the compensation manager, or the recruiting manager. Answer option C is incorrect. Stakeholder has direct or indirect stake in an organization. Key stakeholders in a business organization include creditors, customers, directors, employees, government, owners, suppliers, unions, and the community from which the business draws its resources.

**NEW QUESTION: 3**

Which of the following is a stakeholder of a business organization? (Select the best answer.)

- A. A customer
- B. A competitor
- C. A supplier
- D. A government agency

**Answer: C**
