NEW QUESTION: 1

ABC Metal Corporation has three legal entities that share the same chart of accounts, accounting calendar, currency, subledger accounting method, and ledger processing options. They have additional accounting requirements:

- 1.All legal entities share the same primary ledger attributes.
- 2.None of the legal entities have special requirements to open and close accounting periods independent from the others.
- 3.All legal entities engage in intercompany accounting.
- 4.For month-end consolidation purposes, ABC Metal Corporation wants to keep their consolidation adjustments and elimination entries completely separate from the day-to-day transactions of their legal entities. Based on these requirements, select two considerations that are true for the accounting setup.

(Choose two.)

- A.** Intercompany accounts must be defined to use the intercompany accounting feature.
- B.** Specific balancing segment values need not be assigned to each ledger.
- C.** Secondary ledgers cannot be added for an additional accounting representation.
- D.** Specific balancing segment values must be assigned to each legal entity.

Answer: A,D
